Dear Sir:

At the suggestion of Mrs. William H. Kershner, I take pleasure in extending to you a cordial invitation to become an Associate Member of our Society. We are not able to help our members who live as far from New York as you do, as much as those who are here, but if you will tell me the field of collecting in which you are interested, it is possible that we may be in a position to be of service. Should you come to New York, irrespective of whether or not you accept our invitation to membership, please feel that I should be glad to have you come and see our Museum, and please do not fail to make yourself known to me while you are here.

Very truly yours,

Secretary.
